Sir:

In response to the Notice to File Missing Parts of Nonprovisional Application mailed June 8, 2004, submitted herewith is a copy of the **executed** Declaration and Power of Attorney which was previously submitted to the U.S. Patent and Trademark Office on *March 30, 2004*. Attached hereto is a copy of the original date-stamped postcard providing evidence that the complete specification, including the Declaration and Power of Attorney were submitted to the Patent Office at the time of filing.

It is the practice of this firm that the filing fee is not paid when filing a new application unless the **executed** Declaration is also being submitted. In addition, the Declaration was prepared by the Assignee's Korean attorneys and the executed Declaration was then sent to the undersigned for filing concurrently with the application.

It is respectfully requested that the U.S. Patent Office withdraw the Notice to File Missing Parts and accept the Declaration as filed.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account and please credit any excess fees to such deposit account.

Respectfully submitted,
